Dear Mr Lawton

GROUP TRAINING REGISTRATION

Thank you for your application for group training organisation (GTO) registration in Western Australia. I am pleased to advise that the Department of Training and Workforce Development has considered your application and has registered Protech Personnel (WA) Pty Ltd to operate as a group training organisation in Western Australia.

The conditions of this registration, based on your submission are as follows:

Registration	12 months provisional registration from 20 October 2020 to 31 October 2021.
Industry Sectors	Mining, Civil Construction, Defence, Ship Building, Plumbing, Electrical, Mechanical, Heavy Manufacturing.
Geographic Areas	Perth Metropolitan Area, South West, Great Southern, Pilbara and Kimberley regions.

This approval for registration is based on increasing the number of apprentices and trainees in Western Australia. Therefore the Department does not support the transfer of trainees or apprentices from direct employment or another group training organisation as a means of growing a new group training organisation.

The Department will require Protech Personnel (WA) Pty Ltd to participate in an audit towards the end of the registration period. Provided your organisation successfully demonstrates compliance with the *National Standards for Group Training Organisations 2017* as a result of the audit, Protech Personnel (WA) Pty Ltd will be eligible for full registration of up to three years.

If you have any questions, please contact Italo Amato on (08) 6551 5342.

Yours sincerely
